CAPTURE AND MANAGE YOUR EVENT LEADS

VISIT CONNECT GIVES YOU TOTAL CONTROL OVER YOUR EXHIBITION LEAD MANAGEMENT PROCESS

SCAN VISITOR BADGES

VIEW VISITOR DETAILS INSTANTLY

MAKE NOTES, TAKE PICTURES, ADD VOICE MEMOS

CREATE QUESTIONS RELEVANT TO YOUR BUSINESS

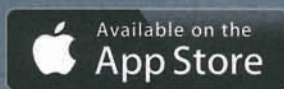

SET AND MONITOR TARGETS

FOLLOW UP ON LEADS IMMEDIATELY

REAL-TIME ACCESS TO LEADS

Download the Visit Connect app at:

GET STARTED IMMEDIATELY!

To get started immediately you can start scanning without a licence however for full access to your leads, to set questions and monitor targets you will need to buy and activate a licence (see order form overleaf).

Download the Visit Connect app

Start the app

Scan the QR code to activate licence

Scan visitor badges

Make notes, add photos or voice memos

Export leads via app or portal

You can also scan leads using barcode scanners in order to access your leads via our portal. This option allows you to set your own questions and answers, however does not allow for real-time access and is subject to availability.

Trial the app now using this test QR code
